3M™ Office Air Cleaners

Breathe easier. Think clearly.

These compact-sized air cleaners help clean the air and reduce odors in your work area. 3M™ Office Air Cleaners have a four-stage filter design that includes both Filtrete™ filter media and ionization for airborne particulate removal, and carbon for odor reduction. Many factors can affect filter performance; however, filter effectiveness lasts up to three months under normal conditions.

OAC250 (large)
For conference rooms or other large workspaces up to 285 square feet (14' x 20'). Three fan speeds. Ionizer on/off switch. Carrying handle. Filter change reminder. Silver & black.

OAC150 (medium)
For offices or other large workspaces up to 230 square feet (15' x 15'). Three fan speeds. Ionizer on/off switch. Carrying handle. Filter change reminder. Silver & black.

OAC50 (small)
For cubicles or other large work-spaces up to 90 square feet (9' x 10'). Two fan speeds. Ionizer on/off switch. Filter change reminder. Silver & black.
